LETTER FOR SPONSORSHIP OF INTERNATIONAL CONFERENCE ON ADVANCED TECHNOLOGIES FOR COMMUNICATIONS 2022 (ATC 2022)

Dear:

Hanoi Open University in collaboration with the Vietnam Radio Association and IEEE Communications Society (IEEE Comsoc) organizes the International Conference on Advanced Technologies for Communications 2022 (ATC 2022). This is an annual event held since 2008 with the purpose of creating a forum for scientists in the field of electronics, information and communication to exchange research results, introduce new technologies, and orient future technologies. At the same time, within the framework of the Conference, sponsors have the opportunity to promote their profile by posters and tables for product introduction. ATC2022 is planning to be held in Hanoi, the tenure decided for this conference is 3 days i.e. 20th-22nd of October, 2022.

The sub-themes of the Conference have been arranged and planned for conduction but we are calling for funding which will ultimately enhance the worth of this event. We are writing to request your prestigious organization to be a supportive hand and sponsor our International Conference as a sponsorship. Your participation would be a sort of intense pleasure for us. We have attached all details of the conference with the letter including sponsorship's rights. We hope that you will definitely make a positive gesture and will contribute towards this event.

Your participation of any venue is highly appreciated.
Sincerely,

**VICE - PRESIDENT
Chair of Conference Organization**

Dr. Nguyen Minh Phuong
